Gangnam-gu, Seoul 06164, Republic of Korea.

Tuesday 24 September 2019 – 16:30-18:00

The [Swiss Chambers' Arbitration Institution](#) (SCAI), the [Korean Commercial Arbitration Board](#) (KCAB International) and the [Swiss Arbitration Association](#) (ASA) are jointly organizing this Conference mainly for in-house counsel, lawyers, arbitrators and mediators active in the fields of international commercial dispute resolution and drafting of international contracts.

Eminent speakers from Korea, Singapore and Switzerland will take a fresh look at settlement facilitation, a concept that has a long tradition in Korea, in Switzerland and in many other countries, and explore if and how it can be used in arbitral proceedings without jeopardizing the rights of the parties to fair proceedings. You will also learn about the benefits of choosing the Swiss Rules and Switzerland as a seat for your arbitration.

After the formal presentations, all participants will be invited to a cocktail reception.

For more information & registration:

The event is free of charge. However, registration is required as seats are limited.

We look forward to seeing you on 24 September 2019 in Seoul.
