2019 ASA Arbitration Practice Seminar

Swiss Arbitration Association (ASA), in collaboration with the Hong Kong International Arbitration Centre (HKIAC) is organising the first Asia edition of the **ASA Arbitration Practice Seminar** from 24 – 26 May 2019 in Da Nang, Vietnam. This retreat style conference has been successfully held in Europe for over 20 years, bringing together experienced arbitration practitioners to contribute to the debates, and to build on their own knowledge of international arbitration.

During the course of two days, discussion leaders will address and explore with the participants key legal and practical questions, as they arise in the successive stages of an international arbitration, illustrating them with examples from real cases.

Who should attend?

The seminar is designed for those – arbitrators, counsel, in-house lawyers, experts – who wish to continue building on their international arbitration knowledge and practice and to benefit from the discussion leaders' combined experience and expertise.
