

Determining the Arbitral Procedure

Setting the stage for a successful damages claim

Dr. Mladen Stojiljković

June 10, 2016

How to Craft the Arbitral Procedure

How to Craft the Arbitral Procedure

What is the right "procedure to determine the procedure?"

Who should lead—parties or tribunal?

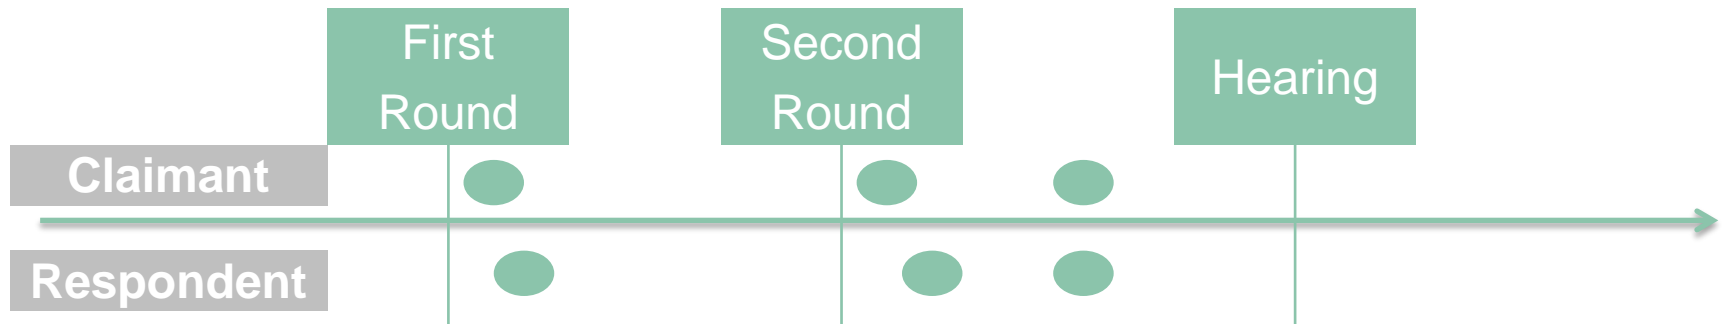

How should the organizational conference take place?

How should disputes related to procedural issues be resolved?

Standard versus tailor-made procedure?
