Re: ASA Board Elections

Dear ASA Members,

Further to my letter of 26 April 2019, I write to update you of the process for elections scheduled to take place at the ASA General Meeting in Bern on 13 September 2019.

The *Findungskommission* held two meetings and three conference calls between April and July 2019 and considered no fewer than 65 applications and recommendations received for positions on the ASA Board for the upcoming term. Throughout the process, all applicable efforts were made to ensure fairness and transparency. Wherever conflicts of interest existed, these were openly declared.

These deliberations led to the *Findungskommission's* proposed slate of candidates for the ASA Board for the 2020-2022 term, which you will be invited to vote on.

As previously indicated, members present at the General Meeting will be asked whether or not they agree to elect the entire Board as proposed. A separate election will be held for the President.

Should you have any questions or comments concerning the election process, please do not hesitate to contact me at alex.mclin@arbitration-ch.org.

Yours sincerely,
