

Swiss Arbitration Law and Practice: A Non-Exhaustive Bibliography

Swiss Arbitration Law, set forth in Chapter 12 of the Swiss Private International Law Act, is available in English, concise, and readily understandable (See [Swiss Arbitration Law is Modern and Flexible](#)). Where the law leaves questions unanswered, however, or where an in-depth analysis is required, there are ample sources of information regarding Swiss arbitration law arbitral practice in English to which parties may turn. Apart from numerous theses and articles on specific topics, these sources include the following:
